Folding Probe Thermometer

This thermometer offers ease of use, fast response, and high accuracy combined with the safety feature of a foldaway probe. It is ideally suited for liquid or semi-solid sampling having a pointed stainless steel probe which is adjustable through 45°, 90°, 135° or 180° angles. Ideal applications include industry, laboratory, education and food hygiene temperature tests.

- Fast response time of 1 second
- Min/max memory since power on or last reset
- Data hold
- 115 x 4mm Ø stainless steel probe
- Low battery indicator
- Opening the probe switches the unit on, auto power off after 1 hour of no activity or folding the probe away
- Extra large 22mm LCD display with function indicators
- Complete with ABS case with a foldaway 130mm stainless steel probe, wrist strap and battery

| Code	Temp Range, °C	Accuracy, °C	Resolution, °C	Dims, w x d x h, mm	Price
THE1014	-50 to 300	±1 (-30 to 250), otherwise ±2	0.1 (19.9 to 199.9), otherwise 1	50 x 18 x 160	**£27.50**

Pen-Type Thermometer

This low cost, easy-to-use splash-proof thermometer with alarm and 145mm pointed tip penetration probe is ideal for liquid and semi-solid sampling.

- Audible alarm when target temperature set by the user is met or exceeded
- 15mm LCD display with alarm indicator
- Soft touch rubber function buttons
- 145 x 4mm Ø stainless steel penetration probe with pointed tip
- Temperature sensor is located in the bottom 20mm of the probe
- Supplied with the probe cap and battery

Code	Temp Range, °C	Accuracy, °C	Resolution, °C	Dims, w x d x h, mm	Price
THE1508	-50 to 300	±1 (-10 to 100), otherwise ±2	0.1	30 x 20 x 240	**£12.25**

Comark PDT300C Thermometer

Waterproof, pen-style digital thermometer with 1.5mm thin tip probe. Supplied with a protective case for transportation and safe storage. It is slim and fits flat in your pocket.

- Cap doubles as handle
- Hold feature
- Stepped FDA compliant 1.5mm thin tip probe for faster response
- Thermistor accuracy meets all food regulations
- Auto switch off feature to preserve battery
- Biocote antimicrobial protection
- Easy-to-read LCD readout
- 3" stainless steel stem
- Storage sheath with clip
- Measures °C and °F
- 1.5V battery included
