CAB1230	5130058	Telescoping (28 - 34") support stand with castors	6ft cabinets	£858.00

Haier Class II Biological Safety Cabinets

Haier Biomedical
Intelligent Protection of Life Science

Provide an effective and greener solution in operator, product and environmental protection. These biosafety cabinets are BS EN 12469 and TUV certified. Energy efficient Class II microbiological safety cabinet complete with stand, two patented IP44 rated waterproof power sockets, LCD screen, four service ports and UV lamp for sterilisation.

- Energy efficient with DC and EC fans and longer last LED lights which reduce energy consumption, reduce noise and increase air flow uniformity
- Choice of single or two highly efficient HEPA dual out filters reduce the risk of lab pollution
- Maximum comfort - ergonomic design ensures maximum comfort and alleviates operator fatigue
- Certified to BS EN 12469 standard
- Multiple alarm functions including fan turn off alarm after door opening, door open alarm, filter alerts
- Adjustable height stand (680 - 900mm) with hidden mechanism to avoid contamination
- CAB1264 supplied without stand
