Code	Length, mm	Price
INS4445	150	£20.60
INS4447	200	£28.10

Tissue Forceps

Stainless steel forceps with serrated and toothed tips.

Code	Description	Length, mm	Price
INS4440	Bonney's (1 in 2 teeth)	175	£17.70
INS4442	Treves' (1 in 2 teeth)	125	£6.90
INS4444	Treves' (2 in 3 teeth)	125	£11.20

Watchmakers Forceps

Straight forceps manufactured in stainless steel.

Code	Tips	Type	Price
INS4323	Fine	3	£11.27
INS4333	Extra fine, long	4	£9.50
INS4343	Super fine, long	5	£11.30

Ideal-tek Mini Tweezers

Short tweezers without the excess bulk of long tweezers. Ideal for working into tight spaces, under the limited working area of a microscope and for short range precision work. Made of anti-acid/anti-magnetic stainless steel (SA).

Code	Alt Ref	Tips	Length, mm	Price
INS2000	M00D.SA.1	Sharp, fine, line serrated	90	£19.80
INS2002	M2.SA.1	Flat, sharp, fine	90	£19.80
INS2004	M2A.SA.1	Rounded, flat	70	£19.80
INS2006	M3.SA.1	Sharp, fine	70	£19.80
INS2008	M5.SA.1	Extra fine	80	£19.80

Ideal-tek Reverse Action Tweezers

Specially intended for applications where a high precise self-closing action is required (e.g. microscopy). Extra fine tips in anti-acid/anti-magnetic stainless steel (SA).

Code	Alt Ref	Description	Length, mm	Price
INS4390	2AX.SA.1.IT	Flat, accurate, round tips	120	£34.30
INS4392	3X.SA.1.IT	Extra fine tips, superior finish	120	£30.10
INS4393	4X.SA.1.IT	Extra fine tips, superior finish	105	£28.00
INS4395	5AX.SA.1.IT	Extra fine tips, superior finish	110	£28.00
INS4394	5X.SA.1.IT	Extra fine tips, superior finish	110	£31.40
INS4396	7X.SA.1.IT	Very fine, curved tips	115	£29.90
