Biotix uTIP Universal Pipette Tips

Biotix universal pipette tips make every pipette more ergonomic with FlexFit® technology. The flexible proximal end makes an instant seal on universal pipettes reducing the force required to attach and eject tips.

- Compatible with a wide range of pipettes
- Light insertion and ejection forces
- Low binding X-Resin® maximises sample recovery
- Reduce plastic waste, Biotix tip racks use 30% less plastic than leading competitors
- Fine point blade design eliminates hanging droplet formation and reduces the need for tip touch off
- Certified free of DNase/RNase, endotoxins/pyrogens, PCR inhibitors, and human DNA
