uvex i-3 Prescription Power Safety Glasses

uvex

- Available with either no correction or with invisibly integrated dioptric adjustment
- Patented lens technology ensures a high level of immediate adaptation
- Soft, adjustable nose loops, soft, anti-slip ear pieces
- Metal-free hinged side arms for high wear comfort and to avoid pressure points
- Reliable protection provided by its perfect fit: multi-level side arm inclination allows the wearer to adjust the spectacles to suit their face
- Anti-fog on the inside, extremely scratch-resistant and chemical-resistant on the outside (uvex supravision excellence)
- Standards: EN 166, EN 170 - SAF1618 only (UV rays protection)
