

3M™ 6000 Series Gas and Vapour Filters

3M Science.
Applied to Life.™

- Connects to any half or full face 3M™ reusable mask with bayonet style connection
- Combines protection with comfort and balance
- Designed to optimise your field of vision
- Lightweight with low breathing resistance
- EN 14387:2004 (respiratory protective devices - gas filters and combined filters)

Supplied in packs of 4 pairs

| Code | Alt Ref | Protection | Application | Price |
|---------|---------|------------|--|--------|
| SAF8443 | 6051 | A1 | Organic vapours and gases with boiling point >65°C | £43.60 |
| SAF6148 | 6054 | K1 | Ammonia and derivatives | £62.00 |
| SAF6152 | 6057 | ABE1 | Organic vapours and gases with boiling point >65°C, inorganic vapours and gases, acidic vapours and gases | £72.00 |
| SAF8447 | 6059 | ABEK1 | Organic vapours and gases with boiling point >65°C, inorganic vapours and gases, acidic vapours and gases, ammonia and derivatives | £83.00 |

3M™ 6000 Series Particulate Filters

3M Science.
Applied to Life.™

- Connects to any half or full face 3M™ reusable mask with bayonet style connection
- More surface area than many standard filters
- Filter media encapsulated in a robust plastic case that allows the filters to be wiped clean
- Designed to optimise your field of vision
- Lightweight with low breathing resistance
- Face seal check mechanism
- EN 143:2000 (respiratory protective devices - particle filters)

Supplied in packs of 1 pair

| Code | Alt Ref | Protection | Application | Price |
|---------|---------|------------|--|--------|
| SAF2552 | 6035 | P3 R | Solid aerosols and/or liquids listed as toxic | £15.02 |
| SAF2554 | 6038 | P3 R | Solid aerosols and/or liquids listed as toxic, nuisance level organic vapour and acid gas, hydrogen fluoride | £22.10 |

3M™ Versaflo™ Powered Air Turbo Starter Kit

3M Science.
Applied to Life.™

- Combines performance, protection and functionality with modern, stylish, lightweight design and unrivalled comfort
- 2 selectable flow rate options offer more comfort to the user
- Electronic audible and visual low air flow and low battery alarms as well as battery charge indicator /particulate filter loading status indicators and airflow indicator
- Easy to adjust and maintain
- Starter kit with all the components - simply add the required headtop (not included)
- Contains TR-302E+ turbo unit, particle filter, pre-filter, spark arrestors, standard belt, high capacity battery, battery charger kit and length-adjusting breathing tube
- EN 12941 with headtop (respiratory protective devices - powered filtering devices incorporating a helmet or a hood)
- EN 60529 IP 53 (dust protection and protection against spraying water)

| Code | Alt Ref | Price |
|---------|---------|---------|
| SAF1966 | TR-315+ | £918.00 |
